

LASH AFTERCARE

www.lashbabesbyrox.com

- Do not wash eyes or shower and avoid steam and sweat for 24 hours after lash application.
- Avoid strong heat such as ovens or bbqs. Heat can melt or distort extensions.
- Avoid rubbing and pulling your eyelashes.
- Avoid oil-based and waterproof mascaras/ makeup removers.
- Only use extension safe mascaras.
- Do not use an eyelash curler on your extensions.
- Clean your extensions with an oil-free makeup remover everyday.
- Book a fill appointment every 2-3 weeks to fill in the areas where your natural lashes have fallen out and new lashes are growing in.
